

NOVEMBER 2023

Scottish Women's Convention Monthly Newsletter

Dear Reader,

As 2023 comes to a close, our team are hard at work preparing for the upcoming year. In November, we hosted a STEM conference and are grateful to all who attended and showed passion for keeping women in STEM. We had insightful discussions during the roundtables at the event and we are pleased to announce you can now read the conference report below.

Enjoy this month's highlights.

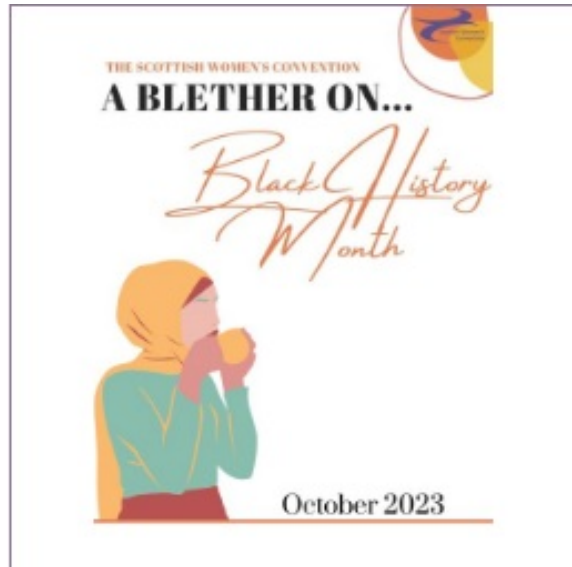

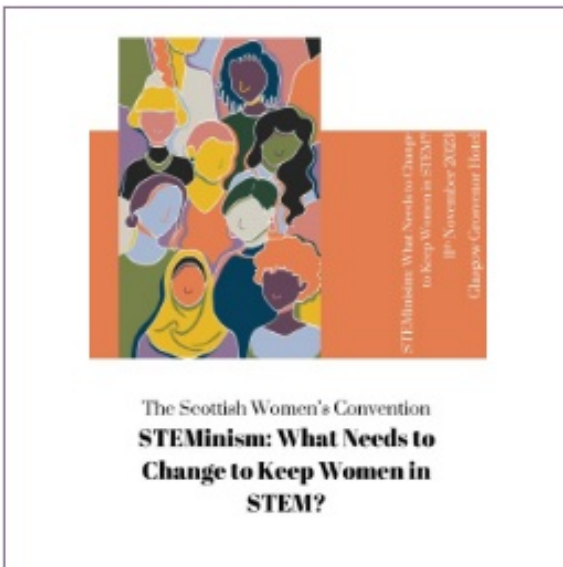

Best Wishes

NEW WEBSITE!

Exciting news! Our team has been working tirelessly with the amazing Fuzzylime to bring you a brand new website design. Don't worry, we're still at the same web address!

It's been a long time coming, but we couldn't be more thrilled to unveil it on our 20th anniversary year. The aim is to provide our visitors with an easier way to learn about our charity, access our recent publications and discover ways to have your voice heard by participating in SWC events.

What is new?

- A completely redesigned user interface and layout to enhance your online experience.
- You can now choose from over 100 languages, including Scots Gaelic.
- We've also added an 'Events Page' where you can sign up for upcoming events.
- A 'Resources Page' dedicated to providing women and girls with additional information and contacts to help them in their fight for equality.
