## Scottish Women's Convention Monthly Newsletter

Dear Jenna,

Thank you to the women who attended our 'A Blether on...Black History Month' last week, we really appreciated your contributions and the report will be coming soon. Our team has also been busy working on a new website which we will be launching in December, and we can't wait to share it with you. Keep an eye out for the announcement! Finally a friendly reminder that our STEMism conference is on the 11th of November. Details on how to secure your spot can be found below.

We look forward to seeing you all soon,

Best Wishes  
Agnes Tolmie, Chair SWC

#### Women in STEM Survey

The following survey asks you to consider your experiences as a woman in STEM. We are curious to understand what barriers prevent women from entering STEM careers, as well as what can then drive them to leave.
