SEPTEMBER 2026

Scottish Women's Convention Monthly Newsletter

Dear Reader,

Thank you to everyone who joined our recent events and contributed to Your Community, Your Say: Women's Priorities. We have published the completed report, which can be found below. The SWC visited Caithness to hear local women's priorities and has submitted evidence to the Equalities, Human Rights and Civil Justice Committee (link below). Your responses and lived experiences will shape the reports we pass to the Scottish Government and local authorities.

We look forward to welcoming young women to our Young Women's Conference in Glasgow in October. Thank you for your time and continued engagement.

Agnes Tolmie
Chair, SWC

External Events

Endometriosis UK is asking people in Scotland affected by endometriosis to share their experiences in a 10-minute survey, closing this week.

Responses will help shape future support, fundraising and investment, as the Youth Engagement Officer role did before it.

Everyone who takes part can enter a prize draw to win a £50 voucher.

Access Survey

As October is **World Menopause Month**, the ALLIANCE and Scottish Government have produced a **Menopause Resource Pack**, which brings together videos, webinar recordings, graphics and information sheets on a range of relevant topics.

They are also hosting several events on menopause across the month, including a series of screening events of our previous menopause webinars, and a new live webinar on HRT.
