Scottish Women's Convention Monthly Newsletter

Dear Friends,

We are almost a week into 16 days of Activism and we have been highlighting quotes and key findings everyday from our VAWG project across our social media channels. We must continue to work together to ensure that every woman and girl feels safe regardless of their environment.

We recently visited Govan High to have roundtable discussions with their senior students on 'Education & Sport'. We would like to thank them for their participation, it was great to hear their views and experiences.

Best Wishes,
Agnes Tolmie - Chair of The SWC
